It is recommended that the videos sent meet the following requirements:

- recommended minimum resolution: Full HD (1920 x 1080)
 - video codec: Apple ProRes 422HQ or Apple ProRes 444 / H264 (minimum bitrate 20Mbps);
 - video container: .mov / .mp4;
- audio: if possible in uncompressed .wav format, 24bit - 48khz, channels; 5.1 preferably with no LCR or Stereo audio.

All works in languages other than Italian must be subtitled in english or Italian. A dialogue list in english must be provided. If possible, it is requested that the subtitles, where necessary for the understanding of the selected work, are not already printed on the image. In any case, it is compulsory to send subtitle files in english and, if necessary, in Italian.

Please send at least three images of the work or any print material and posters that can be used for promotional purposes (in high resolution, in jpeg format, maximum size 3 mb), photo and biography of the director, dialogue list in english.

The director/institution submitting the work must hold, as owner or concessionaire, the rights of the work itself and of any complementary material attached to it sent to the Festival organizers. Whoever submits a short film to the Festival also certifies that all the images and soundtracks used in the work are his or her own or that he or she has the authorization of the rights holder for their use. By submitting his/her entry, the director/institution allows the promotion of the work on his/her behalf, the organization of multiple screenings both public and private without any copyright infringement. The director/institution must answer civilly and criminally for the work submitted, as a result of violation of copyright, image or reproduction of content of an artistic nature protected by copyright, reproduced or mentioned, even partially, in the work entered in the Festival.

The director / institution agrees not to submit works that violate the dignity and rights of natural persons, groups, businesses, public entities or associations represented or mentioned in the short film submitted, even through products or brands.

To register for the Festival, in addition to the form on the site, you can register on Festhome (<https://festhome.com/festival/short-out>)

Please note that once paid, the registration fee is not refundable under any circumstances.

The jury, chosen by the organizers among experts in the field, will proclaim the winners at its sole discretion in the final evening of the Festival.

All information indicated, eligibility and submission guidelines, terms and conditions of application may be subject to change by the organizers without notice.

In the event that your film is selected, to formalize your entry you must:

- send a copy of a valid identity document;
- send the link for the high-quality download of the work you intend to enter.

The personal data communicated, also through the subscription platform, will be treated in accordance with Legislative Decree 196/2003 on the processing of personal data and the GDPR. The data sent will not be communicated to third parties for commercial purposes. The data sent will be used exclusively for the organizational purposes of the Festival and the Association, including the sending of communications by the organizers regarding their initiatives, the publication of contacts on the site and on the printed material of the Festival, the sending of new calls for entries, the selection of short films for other festivals or cultural events and the like.

Through the registration to the Festival, the applicant authorizes the free use of the selected work and its full video projection within the Festival and other cultural initiatives promoted by the Association inherent and belonging to Short Out, as well as the publication of texts and photos accompanying the work sent in the catalog, on the website and social channels of the Festival. Registration to the festival also implies the sharing and/or transmission of the full trailer and partial of the selected short film on the site and social channels of the Festival, as well as any frame or digital clip, title, text, name of the accredited subjects or other content for promotional and organizational purposes only.

Should any point of this document become illegal in one or more jurisdictions, this will not change the validity of the same point in other jurisdictions, or the validity of the other points of this document in the same jurisdiction. For any eventual dispute on the interpretation of the single articles of the present Rules, the original text in Italian language will be valid.

The proposer undertakes to relieve the Association, its members, the organizers and their collaborators from any civil or penal controversy and to bear the consequent legal expenses in case of disputes regarding what is described in these Regulations. The registration of a work implies the full acceptance by the proposer of the conditions set out in this regulation.
